

2022 Summer Student Employment Opportunity – Pending Funding

POSITION: Assistant Water Resources Technician (7 week contract) – two positions available - ***pending Federal funding***

LOCATION: Crowe Valley Conservation Authority Office in Marmora, Ontario

RESPONSIBILITIES:

- Collection and analysis of benthic data using the Ontario Benthos Biomonitoring Network protocol
- Surface water quality sampling
- Data entry
- Other duties as assigned: we like to put your existing skills and talents to good use! If you are good at something, whether it be painting, mapping, creating beautiful fact sheets or photography, we'll be happy to work with you to create a fulfilling side project

QUALIFICATIONS:

Our positions are funded by the Canada Summer Jobs Grant. All successful applicants must meet the following criteria:

- Currently enrolled in a Diploma or Degree program in Environmental Sciences, Ecosystem Management, Fish & Wildlife, Biology, Ecology, Environmental Technician, Geography or related field.
- Between the ages of 15 and 30 (depending on funding approval)
- Hold a **valid driver's** license and be eligible to work in Canada – considerable driving required – must be comfortable driving for up to four hours a day

Apart from the essentials, it's a bonus if you:

- **Have a sense of humour and an interest in benthic invertebrates**
- Are certified under the OBBN network
- Are able to work with minimal supervision and take pride in your work. We love creative ideas and those who take initiative
- Thrive in working outdoors in adverse environmental conditions (the blackflies will come for you)

CONDITIONS OF EMPLOYMENT:

- Duration: 7 weeks
- Start Date: May 9, 2022
- Rate of Pay: \$15.00/hr
- 36.25 hours per week (depending on funding)

DEADLINE: Forward your letter of application and resume by **April 28th, 2022 at 4:00pm** local time to:
