Dear Minister Yurek,

Re: Crowe Valley Conservation Authority – Confirmation of Members Representation per Participating Municipality

Please be advised the Crowe Valley Conservation Authority (CVCA) does not have any executed agreements directing the number of members allowed to participate on the CVCA Board.

Instead, the total number of municipal representatives appointed to participate as members of the CVCA is based on the population for each member municipality as outlined in Section 2(2) of the *Conservation Authorities Act*. Currently, there are 10 member municipalities within the CVCA and each municipality has one appointed member.

Please do not hesitate to contact myself should you require any additional details.

Sincerely,

Tim Pidduck
General Manager/Secretary-Treasurer
Crowe Valley Conservation Authority
