## CROWE VALLEY CONSERVATION AUTHORITY FULL AUTHORITY MEETING

Held Virtually: [JOIN MEETING](#)

May 21, 2026 at 9:00am

1. Call to Order;
2. Welcome;
3. Land Acknowledgement;

We would like to acknowledge that the Crowe Valley Conservation Authority is on the traditional and unceded territory of many nations, including the Anishinabek, Mississauga, Haudenosaunee and Huron-Wendat since time immemorial. Indigenous Peoples have been stewards of this land long before the creation of Conservation Authorities and we recognize, respect and deeply appreciate their connection to the Crowe Valley watershed.

As settlers, this recognition of the contributions and historical importance of Indigenous Peoples must also clearly be connected to our collective commitment to make the promise of Truth and Reconciliation real in our communities. Part of reconciliation means restoring healthy human relationships with the lands, waters, and other beings who surround us. The CVCA Board members and staff welcome the enduring presence and resilience of Indigenous peoples who continue to shape and strengthen this community.
