

What: Drinking Source Water Protection Information Session

Where: Marmora & Lake Public Library, 37 Forsyth St, Marmora, ON K0K 2M0

When: Wednesday, September 17 at 3:30pm

The CVCA will be hosting an information session on drinking source water protection. All are welcome to attend but the session will be aimed at adults with a children's session planned for the future. Come and learn about source water protection in the region and what you can do to help protect our drinking water sources!
