

NOTICE OF HEARING

IN THE MATTER OF

The Conservation Authorities Act,
R.S.O. 1990, Chapter 27

AND IN THE MATTER OF an application by Curt Farrell

FOR THE PERMISSION OF THE CROWE VALLEY CONSERVATION AUTHORITY

Pursuant to Regulations made under Section 28, Subsection 12 of the said Act

TAKE NOTICE THAT a Hearing before the Watershed Advisory Board of the Crowe Valley Conservation Authority will be held under Section 28, Subsection 12 of the Conservation Authorities Act at the offices of the said Authority (70 Hughes Lane, Marmora, Ontario), at 12:30 p.m., on the **16th day of May, 2019**, with respect to the application by Mr. Curt Farrell to permit development within an area regulated by the Authority in order to ensure no adverse effect on **the control of flooding** on Lot 35, Concession 3, 27 Sunset Shore Road in the Municipality of Marmora and Lake.

TAKE NOTICE THAT you are invited to make a delegation and submit supporting written material to the Executive Committee for the meeting of May 16th, 2019. You have indicated you intend to appear on this date. Written material will be required by **Thursday, May 9th, 2019 (3:00 p.m.)** to enable the Committee members to review the material prior to the meeting. Due to the short time frame you have agreed to waive your right to the normal two week report preparation time as stipulated in the Hearing Guidelines (attached) in order to meet this deadline.

TAKE NOTICE THAT this hearing is governed by the provisions of the Statutory Powers Procedure Act. Under the Act, a witness is automatically afforded a protection that is similar to the protection of the Ontario Evidence Act. This means that the evidence that a witness gives may not be used in subsequent civil proceedings or in prosecutions against the witness under a Provincial Statute. It does not relieve the witness of the obligation of this oath since matters of perjury are not affected by that automatic affording of the protection. The significance is that the legislation is Provincial and cannot affect Federal matters. If a witness requires the protection of the Canada Evidence Act that protection must be obtained in the usual manner. The Ontario Statute requires the tribunal to draw this matter to the attention of the witness, as this tribunal has no knowledge of the effect of any evidence that a witness may give.

AND FURTHER TAKE NOTICE that if you do not attend this Hearing, the Watershed Advisory Board of the Conservation Authority may proceed in your absence, and you will not be entitled to any further notice in the proceedings.

DATED the 9th day of May 2019

The Executive Committee of the Crowe Valley Conservation Authority
