Dear Ms Redden

Thank you for taking the time to write to me in your capacity as Chair of the Crowe Valley Conservation Authority.

I would like to thank you and the General Manager for your offer to meet with me but the question that I had submitted back in July while the General Manager was on holidays, was simple and straightforward and I was able to get the answer from an expert.

I did reach out to the Ministry of the Environment and received a prompt reply and follow-up from Mr Angiers. I will advise them that I have now received a response from you.

Other than the presentations done by Mr Graham to council, I am unaware of anyone else having received a response.

The season is over, I acquired the information I sought and no further action, or expenditure of taxpayer money, is required at this time.

Regards
